**AFTER 50 YEARS, NOTED CAPE ORTHODONTIST TRANSITIONS OFFICES TO  
FATHER-SON TEAM WHO ARE HIS FORMER STUDENTS**

***Dr. Robert Rozene To Remain As Orthodontist Emeritus, Consultant at Cape Cod  
Orthodontics in Hyannis, Orleans***

**HYANNIS, MASS. (Issued Winter 2012)** -- After 50 years of practicing Orthodontics and helping to improve the smiles, oral hygiene and self-confidence for thousands of Cape residents, an icon in the field of Orthodontics, Dr. Robert Rozene, is retiring.

The 80 year-old founder of Cape Cod Orthodontics, who was honored last year for his half century of dedicated patient care and compassion by the American Association of Orthodontics, has transitioned his practice to two of his former students at the Boston University School of Dental Medicine, Dr. Robert Chavez and his son, Dr. Andrew Chase, who operate seven ARCH Orthodontics offices south of Boston. Combined, Dr. Chavez and Chase have a total of 50 years of experience with patients from 8 to 80.

“We know Dr. Rozene as a mentor, colleague and friend,” said Dr. Chavez. “He is one of Cape Cod’s foremost Orthodontists and a giant in the field. Therefore, we were extremely moved *and honored* when he asked us to transition his practice. For five decades, thousands of patients entrusted their families’ smiles to him, and *we think the Cape is more beautiful because of his work*. We agree with Dr. Rozene that our patients are our most important asset, and we strive to develop long-lasting, trusting relationships with each patient. We pledge to make the transition as seamless as possible.”

In his role as Orthodontist *Emeritus*, Dr. Rozene will remain as a consultant to Cape Cod Orthodontics. “We like to think we have a lot in common with him, and that we provide the same high level of love and care for patients that he has provided since 1964.” Dr. Chavez said. Cape Cod Orthodontics offices are in **Hyannis** at 297 Winter Street -- (508) 775-1401 – and in **Orleans** at 48 Eldredge Park Way -- (508) 255-7518.

Dr. Chavez invites those interested in knowing more about him and Dr. Chase, about ARCH Orthodontics, their staff, and their practice philosophy, to visit [www.archorthodontics.com](http://www.archorthodontics.com). He noted that patients who are off-Cape and find it convenient are welcome to make an appointment at any of their seven offices by calling 1 (800) 28-SMILE. In addition, he said

ARCH patients who are on Cape Cod are welcome to visit the Cape Cod Orthodontics offices in Hyannis and Orleans.

ARCH Orthodontics offices are in Stoughton, Bridgewater, Brockton, Canton, Hyde Park, Randolph and Westwood. Arch Orthodontics offers free initial consultation including digital photos and panoramic x-rays.
